\* The team lead is responsible for leading the assignment, delegating tasks and making sure it is turned in on time. The team lead is not responsible for doing the assignment themselves. If an assignment is turned in late or incorrectly, the instructor will be contacting the team lead. Your performance as team lead will directly impact the rating you receive from your other team members in the Group & Self Assessment. Everyone in the team must appear as the team lead **as equally as possible**.

**Anticipated Team Strengths:**

Our team strength is design because we are both VCD majors. Also, we both are organized and have good time management skills.

**Anticipated Team Challenges:**

Our team challenges is coding because we both aren't too familiar with it. Also, the possibility of us not being able to meet as much as we would like to.
